## MESSAGE FROM DEPUTY COMMISSIONER KVS GUWAHATI REGION

Kendriya Vidyalaya Sangathan fosters the message of universal brotherhood and insists on cross cultural understandings of the vast and diverse nation with rich cultural heritage to instill unity in diversity. A Kendriya Vidyalaya situated in any part of the country is often addressed as "Mini India" because of the students and teachers from diverse background. This gives a natural environment for carrying out different activities to bring a feeling of oneness and Indianness. This is essential for an overall development of students.

Keeping in view of the concept of "Ek Bharat Shrestha Bharat" as given by our Hon'ble Prime Minister, Shri Narendra Modi, Kendriya Vidyalaya Sangathan (HQ) organized a grand show in the Lawns of India Gate, New Delhi from 31<sup>st</sup> October 2019 to 03<sup>rd</sup> November 2019 showcasing the rich and varied heritage of India. Students of KVS Guwahati Region participated in the programme with zeal and fervor and made it a grand success. Madhya Pradesh was allotted to KVS Guwahati Region as paired state of Assam. Thus students got an opportunity to discover this state thoroughly. This also enabled them to learn more about the folk arts, culture and economy of the paired State. They, under guidance of their teachers and Principals, prepared and presented various projects, artefacts and also a magnificent replica of the Sanchi Stupa for the Madhya Pradesh pavilion of the impressive show at the national level in New Delhi. Various cultural programmes of paired State were prepared and presented by students. The students of the Guwahati Region were appreciated by many high dignitaries, including Hon'ble Minister of Human Resource Development Sh. Ramesh Pokhriyal Nishank, visiting the pavilion. Cultural presentations by students of KVS Guwahati Region were par excellence.

This E- Newsletter, is presented before you with the belief that it will provide glimpses of the participation and achievements of this region. I give all the credit of these achievements to the students, teachers and Principals who planned and prepared and amazed everybody with their performance.

I wish all the best for publishing of this Newsletter.
